- A. brand name.
 - B. digital stamp.
 - C. key.
 - D. code.

20. Arrange in order the following steps in information processing:

- (i) Input of data (ii) processing of data
(iii) output of data (iv) storage of data

- A. (i), (ii), (iv) and (iii).
B. (iv), (ii), (i) and (iii).
C. (i), (iii), (iv) and (ii).
D. (ii), (i), (iii) and (iv).

SECTION B: (60 MARKS)

Answer all questions in this section.

All answers must be written in the spaces provided.

21. (a) Explain the following characteristics of a computer:

- (i) Diligence. (02 marks)

.....
.....

- (ii) Versatility. (02 marks)

.....
.....

- (b) Give **one** reason why it is important to study computer. (02 marks)

.....
.....

- (c) Describe **two** ways in which computers can be used to commit crimes. (04 marks)

- (i)
-

- (ii)
-

22. (a) Most personal computers have three communication ports.

(i) What is a port? (02 marks)

.....

.....

.....

(ii) Give examples of these ports. (03 marks)

.....

.....

.....

(b) Give **two** reasons why a disk is formatted. (02 marks)

.....

.....

(c) Write **three** steps involved in formatting a disk. (03 marks)

.....

.....

.....

23. (a) The spreadsheet below shows scores for four houses during their sports. Use it to answer questions that follow.

	A	B	C	D	E	F
1	HOUSE	NETBALL	SWIMMING	FOOTBALL	VOLLEYBALL	TOTAL SCORE
2	Red	6	5	8	10	
3	Blue	10	9	5	9	
4	Yellow	3	7	9	8	
5	Green	7	6	11	10	
6						

(i) Write the cell address of the active cell. (01 mark)

(ii) Write a function that will return the value of the total score for Yellow House. (02 marks)

(iii) Write the function that will compute the highest total score. (02 marks)

(b) Describe each of the following terms used in databases:

(i) A table. (01 mark)

(ii) Query. (02 marks)

(iii) Data types. (02 marks)

24. (a) Explain the meaning of the following data transmission modes and mention **one** example in each case: (02 marks)

(i) Simplex transmission.

(01 mark)

Example

(ii) Full duplex transmission. (02 marks)

.....

.....
Example (01 mark)

.....

(b) State the function of hyperlinks in web publishing. (01 mark)

.....

.....

(c) State **three** challenges of maintaining a website. (03 marks)

.....

.....

.....

25. (a) Explain the following tools as applied in word processing:

(i) Caption. (02 marks)

.....

.....

(ii) Footnote. (02 marks)

.....

.....
