Diligence

.....

.....

Versatility

.....

.....

b) Outline any three ways in which ICT can improve the quality of education.

.....

.....

.....

.....

11. (a) Differentiate between **a server** and **a client computer** (2 marks)

.....

.....

.....

b) What is the function of each of the following network devices? (3 marks)

i. Switch

.....

.....

ii. Router

.....

.....

iii. Bridge

.....

.....

12. (a) Tick the three utility programs from the list below. (3 marks)

	TICK HERE
Antivirus software	
Web browser	
Data compressor	
Network operating system	
Uninstaller	

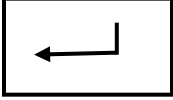

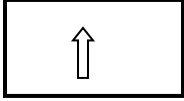

b) State the function of any two utility programs you ticked above. (2 marks)

.....

.....

.....

-
13. For each of the mode of the keyboard keys in the table below, write the true name of the key and its function (4 marks)

Model of the keyboard key	Name of the Key	Function of the key
		
		

- b) State **one** operational part of the computers keyboard (01 mark)
-

14. Use the term below to complete the sentences that follow in (a)-(e). (05marks)

Slides transition
 Animation effects
 Slide layout
 Slide design

Slide show
 Slide master
 Handouts

- The visual movement from one slide to another slide is.....
